

The Partnership for a Sustainable Georgia and the Georgia Environmental Partnership Announce Training Sessions for Partners

“Environmental Management System (EMS) Overview”

January 10, 2008 – 8 - 11:30 am

This overview will take a quick look at the basics of an environmental management system (EMS), including the specific EMS requirements for Bronze and Silver Partners. The benefits and challenges of EMS implementation and pointers on getting started also will be covered.

“Exploring Your Environmental Footprint: A Common Sense Approach to Environmental Aspects and Impacts”

January 10, 2008 – 1 - 4:00 pm

This highly interactive workshop will use a case study simulation to explore a common sense approach to identifying, evaluating and managing an organization’s environmental aspects and impacts. Discussions will include tips for avoiding common pitfalls in this key environmental planning activity.

COST and LOCATION

Both no-cost workshops will be held at the following location:*

**Technology Square Research Building – Room 113
Georgia Institute of Technology
85 Fifth Street, Atlanta GA 30332**

** There is a \$10 parking fee at the training location.*

REGISTRATION

*Partners may register for one or both of the training sessions. Registration is limited to 3 persons per organization. Register by phone at **404-657-7444** or via e-mail to: Mary_Talukder@p2ad.org and please have the following information available:*
